

Anthony Hadeed: CEO, Career and Life Coach at YourLifePurpose Limited

Anthony Hadeed is the CEO and head Career and Life Coach at YourLifePurpose Limited. He holds a Master's degree from University of Toronto. He is a Certified Professional Coach (CPC) from the International Coach Academy (ICA) specializing in Career, Life and Business Executive Coaching. He is accredited with the Professional Certified Coach (PCC) designation from International Coach Federation (ICF). In 2014, he also completed the ACSTH training, thus acquiring the skills needed to facilitate group Coaching and workshops, and to deliver online training.

Prior to becoming a Career and Life Coach, he worked for over 23 years in the Information Technology (IT) field, eight of which were spent in various IT related positions at GE Capital Technology Services, and 15 of which were spent running his own successful IT consulting company in Toronto, Canada. Anthony has worked with individuals and groups in several sectors including Education, Manufacturing, Recruitment and Financial. He is results-oriented, enthusiastic, and hands-on, with a successful record in helping people to discover their true purpose and potential in life.
